Bernstein v. Virgin

To All Class Members:

On November 3, 2023, the Court approved the Plan of Allocation to distribute the Judgment amount awarded in this lawsuit. Under the Plan of Allocation, the Class Administrator, Strategic Claims Services ("SCS"), will send payment to Class members in the form of a check by U.S. mail by the end of March 2024. You do not need to take any action to receive your check, although we ask that if your contact information has changed and you have not previously provided it to us, please send an email to info@strategicclaims.net. You may also submit a completed W-4 tax form to that same address if you wish to update your tax withholding status from what will otherwise be applied for this distribution as "single with zero dependents".

As you were earlier notified, the Plan of Allocation entitles you as a Class member to your pro-rata share of the Net Distribution Amount. The Net Distribution Amount is the amount of the Judgment after deductions for payments approved by the Court to the Labor & Workforce Development Agency, the Class Representatives, and Class Counsel. Your pro-rata share is based upon the damages calculations of the expert witness accepted by the Court. Those damage calculations are derived from your hours worked, dates of service, and other similar factors.

If you wish to know the amount of your pro-rata share, you may contact the Class administrator between November 18, 2023 and December 18, 2023 to request that information. If you believe your pro-rata share is based upon incorrect information, you will have until January 17, 2024 to submit any additional information or documentation to the Class Administrator to contest the calculation of your pro-rata share. The Class Administrator shall review any information you submit and, by February 1, 2024, shall make any necessary corrections or adjustments to determine your final distribution amount. The Class Administrator's determination of all final distribution amounts is final. Checks will be mailed by the end of March 2024.
